Unified Court System Employees GENERAL INFORMATION

Who Is Eligible?

 Employees of the CSEA represented State of New York Unified Court System bargaining unit who retired on or after April 1, 1998.

Dependents

Your dependents become eligible at the same time you do.

 You must notify the Fund promptly of changes in dependent status to ensure that new dependents receive the appropriate coverage and to avoid responsibility for charges incurred by an individual after they has ceased to be your dependent.

Dependents Include:

Spouse

 Your spouse. This includes a person of the same sex to whom the covered retiree was married in a jurisdiction permitting same sex marriages. A spouse can be removed upon entry into a legal separation. If you become divorced, you must remove your ex-spouse upon the finalization of divorce.

Domestic Partners

 Domestic Partner. Contact your HBA at your agency. They will provide you with the necessary information with which to initiate the Domestic Partner enrollment. Once we are notified that your Domestic Partner is eligible, we will send you an enrollment form automatically.

Children (Effective 7/1/2020)

- Your children, stepchildren and legally adopted children, under the age of 26 regardless of marital status.
- Your legal ward under the age of 26 who permanently resides with you pursuant to a court order awarding legal guardianship/ custody to you.
- Any child or ward described above, regardless of age, who is incapable of self support by reason of mental or physical disability, provided they became so disabled prior to reaching the age of 26.

Enrollment

Coverage under the plans offered by the CSEA Employee Benefit Fund is not automatic. You must first enroll yourself and your dependents in the Fund. As a UCS Retiree, your enrollment file remains as it was when you were an active employee.

If you need to update who is enrolled under your coverage, you can call **1-800-323-2732** to request the form(s) needed or visit **www. cseaebf.com** to download forms from our

website. When you visit the website, you can register for our Member Portal which will allow you to view plan information, make enrollment changes and submit requested documentation. Enrollment in the plan does not vest any right in the covered retiree except the right to receive benefits under the plan only so long as payments are being received by the Fund on behalf of the retiree.

Return the completed enrollment form and any additional information required by the Fund.

Continuation of Coverage

 If you die, become divorced or legally separated, or a dependent ceases to be a dependent, your spouse/domestic partner and/or dependent may have certain rights to continue Plan coverage through COBRA. In the event of divorce, legal separation or a child losing dependent status, you or a family member must inform the Fund of the qualifying event within 60 days of the event or the day on which coverage would be lost because of the event.

Abuse or Misuse

- Abuse or misuse of any Plan may result in withholding of benefits.
- The Fund reserves the right to revoke assignment of benefits to certain providers.

Note: A retiree may not be covered as a retiree and as a dependent of an employee/retiree. A retiree who has a spouse/domestic partner eligible for coverage is not eligible to cover a domestic partner.

If retiree and spouse/domestic partner are Fund retirees, coverage for children may not be claimed under both.

DENTAL CARE PLAN

How To Use This Plan

- You may use any licensed dentist for dental care.
- Effective 9/1/2014, Participating Providers are not required to accept these allowances as payment in full.
- If you would like to view our current Directory of Dental Care Providers, you can request a copy by calling us at 1-800-323-2732 or visit our website at www.cseaebf.com.
- Specialists within participating general practices have the right to bill members for the difference between the specialist's customary charge and the allowance which the CSEA Employee Benefit Fund pays under the UCS Dental Plan. The Specialist must inform the Fund and the member that they will not be accepting the plan allowance as payment in full and must provide proof of specialty status to the Fund.
- If you choose a non-participating provider, and are charged more than the amount listed under the Schedule of Allowances you must pay the difference.
- A universal American Dental Association (ADA) claim form, available through your dental provider, or a CSEA claim form which may be obtained from our website at www. cseaebf.com must be used to submit for completed services. Electronic claims are also accepted.
- The Fund does not recommend that you use any particular dentist either participating or nonparticipating.

SUBMIT ALL DENTAL CLAIMS TO: CSEA Employee Benefit Fund P.O. Box 489 Latham, NY 12110-0516

Maximum Benefit Dental Plan

- There is a \$3,000.00 annual maximum dental benefit for each covered retiree and dependent.
- For year 2014 and on, there is no annual maximum for children under the age of 19, per the Affordable Care Act guidelines.
- This maximum is on a calendar-year basis (January through December).
- Under this maximum, the Benefit Fund is assuming liability for up to the first \$3,000.00 of covered dental work per year. This maximum does not apply to orthodontics.
- We encourage those about to undergo extensive dental treatment to discuss those plans with the dentist beforehand. There are often less expensive alternatives available which will provide high quality dental care.

Appeal Procedure

- If you feel that you did not receive full benefits, you may appeal to the Fund. Please call customer service at 1-800-323-2732 and request a dental claim appeal form which can be emailed or mailed to you. Include copies of supporting documentation.
- ALL appeals must be submitted within 60 days of the determination being appealed.
- Please note the appeal process could take up to 4-6 weeks.
- This appeal procedure is not designed to cover services not covered by the Plans.

Pre-Authorization of Benefits

- Whenever the estimated cost of a recommended dental treatment exceeds \$500.00, we advise the submission of a preauthorization before the work begins.
- Use a dental claim form for this submission, and include the related x-rays.
- After review, the Benefit Fund will notify the retiree and the dentist of the benefits payable based upon the treatment plan.
- In determining the amount of benefits payable, consideration will be given to

- alternate procedures that will accomplish a professionally acceptable result.
- If the retiree and the dentist agree to a more expensive method of treatment than that preauthorized by the Benefit Fund, the amount exceeding the pre-authorization will not be paid by the Fund even if it would otherwise be a covered service. If we recommend alternative benefits, you should also discuss this with your dentist.
- · For Example: If your dentist submitted a preauthorization for a crown which would cost \$465.00 and review by our dental consultant showed that an amalgam restoration for \$75.00 would give an acceptable result, the Benefit Fund would pay only \$75.00. If the retiree decided to have the crown, they would pay the difference of \$390.00 (\$465.00-\$75.00).

A pre-authorization is not a guarantee of benefits. Payment is always subject to eligibility at the time of service.

Coordination of Benefits

Since it is not intended that the patient receive greater benefits than the actual expenses covered, the amount of benefits payable under the UCS Retiree Dental Plan will take into account any coverage the retiree (or eligible dependent) has under other group plans. In other words, the benefits under the UCS Retiree Dental Plan will be coordinated with the benefits of other group plans.

Note: An retiree may not be covered both as a retiree and as a dependent of an employee/ retiree. A retiree who has a spouse/domestic partner eligible for coverage is not eligible to cover a domestic partner. If retiree and spouse/

domestic partner are Fund members, coverage for children may not be claimed under both.

Birthday Rule

Coordination of benefits regulation states that the primary payer of benefits for dependent children is determined by the parent who has the earlier birth date by month and day, without regard to year of birth. (other determining factors may apply)
